DUAL

The worlds largest international underwriting agency

Making relationships count

DUAL Vision

DUAL has built a reputation as a specialist underwriting group and the market of choice for insurance intermediaries around the world. DUAL distinguishes itself by combining a global distribution platform and access to capital or markets with local knowledge and expertise.

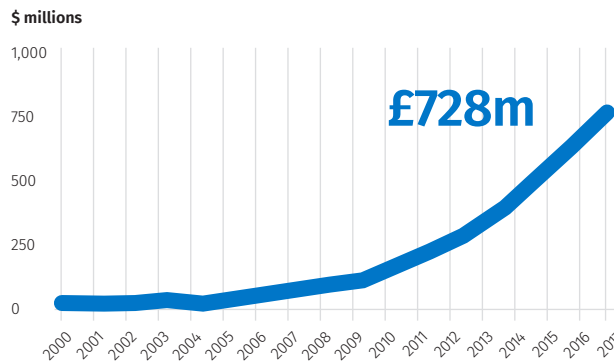

Our success is built on creating and delivering the right products to the right people around the globe.

We work hard to understand the needs of our clients' businesses to ensure they receive a consistently outstanding service that is both tailored to their requirements and superior in its delivery.

DUAL Growth

DUAL's underwriting profitability is based on aligned interests through profit commission structures and an excellent track record of profitable underwriting utilising DUAL's expertise and global strength.

Since 2000, DUAL's GWP has grown steadily to over £728m in 2017

DUAL Capacity

DUAL has strong trading relationships with its capacity providers which include:
